Dear Mr. Editor—For more than a year I suffered with misery in the back, dull headache, pain in the limbs, was somewhat constipated and slept poorly at night until I was about ready to collapse. Seeing an account of the wonderful qualities of "Anuric," prepared by Doctor Pierce, of Buffalo, N. Y., I sent for a box, and before using the whole box I ielt and still feel improved. My sleep is refreshing, misery reduced, My sleep is refreshing, misery reduced, and life is not the drag it was before. I

Yours truly, W. A. ROBERTS.

Note: You've all undoubtedly heard of the famous Dr. Pierce and his well-known medicines. Well, this prescription is one that has been successfully used for many years by the physicians and specualists of Dr. Pierce's Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for kidney complaints, and discusses arising from disorders of the kidneys and bladder, such as backache, weak back, theumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine, and arinary troubles.

of the bladder, scalding urine, and arinary troubles.

Up to this time, "Anuric" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing Tablet, Dr. Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers.

I know of one or two leading druggists in town who have managed to procure a supply of "Anurio" for their anxious customers in and around this locality. If not obtainable send one dime by mail to Dr. Pierce for trial package or 50 cents for full treatment. EDITOR - Please insert this letter in some conspicuous place in your paper

Representing one of the largest wholesale buyers of onions in the country, Coyne Bros., of Chicago, G. B. Lanham is in the city, the guest of the Commercial club. Besides buying car lots of onions for his firm, Mr. Lanham is here to become better acquainted with the resources of the Willamette valley and to lay a foundation for future business, as Coyne Bros. is a general commission house handling many farm products.

It Pays to Advertise. The worst failure of the year—the loss of Bulgaria to the allied cause— The dried fruit industry of the Willamette valley has a bright future, according to Mr. Lantham, especially that of evaporated loganberries, which he believes will soon have an established demand throughout the country.

The opinions of Mr. Lantham are those of a man who is familiar with the commission business and who represents one of the largest commission houses in the country. His firm is in the market for 5 car loads of colery and in ear load shipments of evaporated loganberries, it would mean much for this section of the state.

The worst failure of the year—the loss of Bulgaria to the allied cause—might have been prevented by a proper amount of judicious self-advertising applied at the right time where it would have done the most good. But John's dignity couldn't shide, the press agent methods as skilfully applied by Kaiser Wilhelm. Bulgaria frankly put herself up for the highest bidder and the safest up for the highest bidder and the safest the advertising line with no effective counter-measures on the part of the nilities, the Bulgars naturally concluded that the central powers were the most likely to be able to deliver the goods.
